Backpacks are a very good idea for all students. They often need to transport items back and forth to school and a backpack protects their books and other items from the weather.

**REMINDER TO KINDERGARTENERS AND 6<sup>TH</sup> GRADERS**-be sure and get all of your immunizations before the first day of school.

**If you are from out of district, be sure and get a release from your residing district. This is required every year.**

School begins on **Wednesday, Aug. 28 at 8:05**. Enjoy the rest of your summer.
